

A Look at ICB Electronic Banking Services

By now, the vast majority of banks offer online banking, and many also offer a mobile banking app. But did you know that the benefits of electronic banking go beyond just checking your balances? Investors Community Bank offers a variety of digital products and services that allow you to visit the bank 24/7 via your desktop or smartphone. Here are some of the online banking services we rolled out in 2019:

ICB Secure Alerts

SecureAlerts delivers alerts, notifications and events to any device you choose as activity occurs. You can choose from dozens of alerts, and choose how and when information is delivered - giving you full control over all aspects of your account activity. Alert options include: low balance, debit transaction, security, transaction over amount set, and much more. SecureAlerts keeps tabs on account activity, and can protect you from fraud by catching it earlier. Learn more at InvestorsCommunityBank.com/online-banking-alerts.

ICB External Transfers

We understand that your financial life is complex, and likely spread across multiple financial institutions. ICB External Transfers offers an easy, fast and secure online funds transfer service that lets you move money *between ICB and other financial institutions*...no checks, cash deposits or branch visits required! Learn more at InvestorsCommunityBank.com/external-transfers.

CardValet®

CardValet® lets you control your debit cards within our easy to use ICB Mobile Banking app. Use CardValet to receive real-time transaction alerts, and set customized usage controls. You'll get real-time notifications when

your card is used, can set security preferences and spending limits, and can quickly disable your card if it is lost or stolen. To learn more, view our demo video at InvestorsCommunityBank.com/icb-mobile.

Mobile Deposit Capture

Mobile check deposit has become a staple for millions of consumers - it's quick and convenient for today's digital lifestyle. With easy-to-follow onscreen guides, mobile deposit automatically takes the picture when the perfect image is detected. All you need to do is hold the phone while the camera adjusts the lighting, focus and orientation. Try it now in the **ICB Mobile Banking** app!

Zelle®

Whether it's saving you a trip to the ATM or taking the guesswork out of divvying up the lunch tab, Zelle is a fast, safe and easy way to send and request money. Funds are sent directly to the recipient's account in a matter of minutes and all you need is their email address or US mobile phone number. Learn more at InvestorsCommunityBank.com/zelle.

Online Account Opening

Did you know you don't even have to come into a branch to open certain types of accounts? We have a simple, fast and convenient way to open an ICB Rewards+ Checking account, or an ICB Money Market account from the comfort of your home or office. Learn more about opening an account online at InvestorsCommunityBank.com/openonline.
