## **Area Nonprofits Benefit Through Investors Community Bank Employee Giving Programs**

*(Manitowoc, WI, January 10, 2018)* Many area nonprofit organizations benefited from Investors Community Bank's Community Impact Program and Community Volunteer Impact Program in 2017.

The Community Impact Program allows each bank employee to designate a \$200 annual contribution on behalf of the bank to a charitable cause. Employees may pool funds for a donation to a specific charity for a larger impact. In 2017, 122 employees designated \$24,300 toward area non-profit organizations through ICB's Community Impact program, including: Holiday House, CAP Services, Big Brothers Big Sisters, YMCA, Ronald McDonald House, Pink Heals, Children's Hospital of Wisconsin, Lakeshore Humane Society, Fox Valley Humane Association, New Community Shelter, Stevens Point Police Department, the Wisconsin Agricultural Education Center, Salvation Army and many more.

The Community Volunteer Impact Program granted each employee two hours of paid volunteer time that could be completed with the organization of their choice. In 2017, 68 employees took advantage of the program, which was started as part of the bank's 20<sup>th</sup> anniversary celebration last year, by volunteering a total of 133.5 hours with organizations such as Salvation Army (in each ICB market), Big Brothers Big Sisters, Miracle League of the Lakeshore, Children's Oncology Services, Inc., and CAP Services, among others.
