## Investors Community Bank Gives Back Via Recent Money Market Promotion

*(Manitowoc, WI, February 7, 2018)* To celebrate the spirit of giving back to the communities they serve, Investors Community Bank recently ran a “Giving Back” money market promotion. For a limited time, ICB donated \$20, in celebration of the bank’s 20<sup>th</sup> anniversary in 2017, to local charities for each ICB Money Market account that was opened. Five charities in each market were chosen by ICB staff to receive the donations, then the customer selected which of the five to designate their donation to. More than \$3000 was donated to charities in Appleton, Green Bay, Manitowoc and Stevens Point through this promotion.

Investors Community Bank, a wholly-owned subsidiary of County Bancorp, Inc., is committed to serving the financial needs of businesses, farmers and families in our communities. Founded in 1997, Investors has become one of the most successful bank startups in Wisconsin’s history and has full service offices in Appleton, Green Bay, Manitowoc and Stevens Point, as well as Loan Production Offices in Eau Claire, Sheboygan, Darlington and Fond du Lac. County Bancorp Inc.’s common stock is traded on the NASDAQ global market under the symbol ICBK. For details visit [www.InvestorsCommunityBank.com](http://www.InvestorsCommunityBank.com)
