Lindsay Meyer Earns Certified Treasury Professional Designation

(Manitowoc, WI, October 14, 2020) Investors Community Bank, along with The Association for Financial Professionals® (AFP), is pleased to announce that Lindsay Meyer, Treasury Management Representative, has been granted the highly-regarded designation of Certified Treasury Professional® (CTP). In doing so, Meyer brings the highest level of expertise and distinction in treasury management to Investors Community Bank.

Meyer is based out of ICB's Stevens Point office. Her vast knowledge of treasury management products allows her to tailor products to fit the exact needs of businesses to maximize their cash management usage. Meyer earned her bachelor's degree from UW Stevens Point and has nearly 15 years of banking experience.

Recognizing the unique skills and wide-ranging knowledge required of treasury professionals, AFP® implemented the certification program in 1986 to define the standards in the corporate treasury and cash management profession. The comprehensive certification exam is periodically reviewed, updated and expanded by an AFP appointed committee of corporate treasury experts to reflect the on-going changes within the profession. In addition to meeting the program's education and experience requirements, those awarded the CTP designation must complete a minimum of 36 hours of continuing professional education in corporate treasury, finance or accounting every three years to remain certified.
